INTRODUCTION

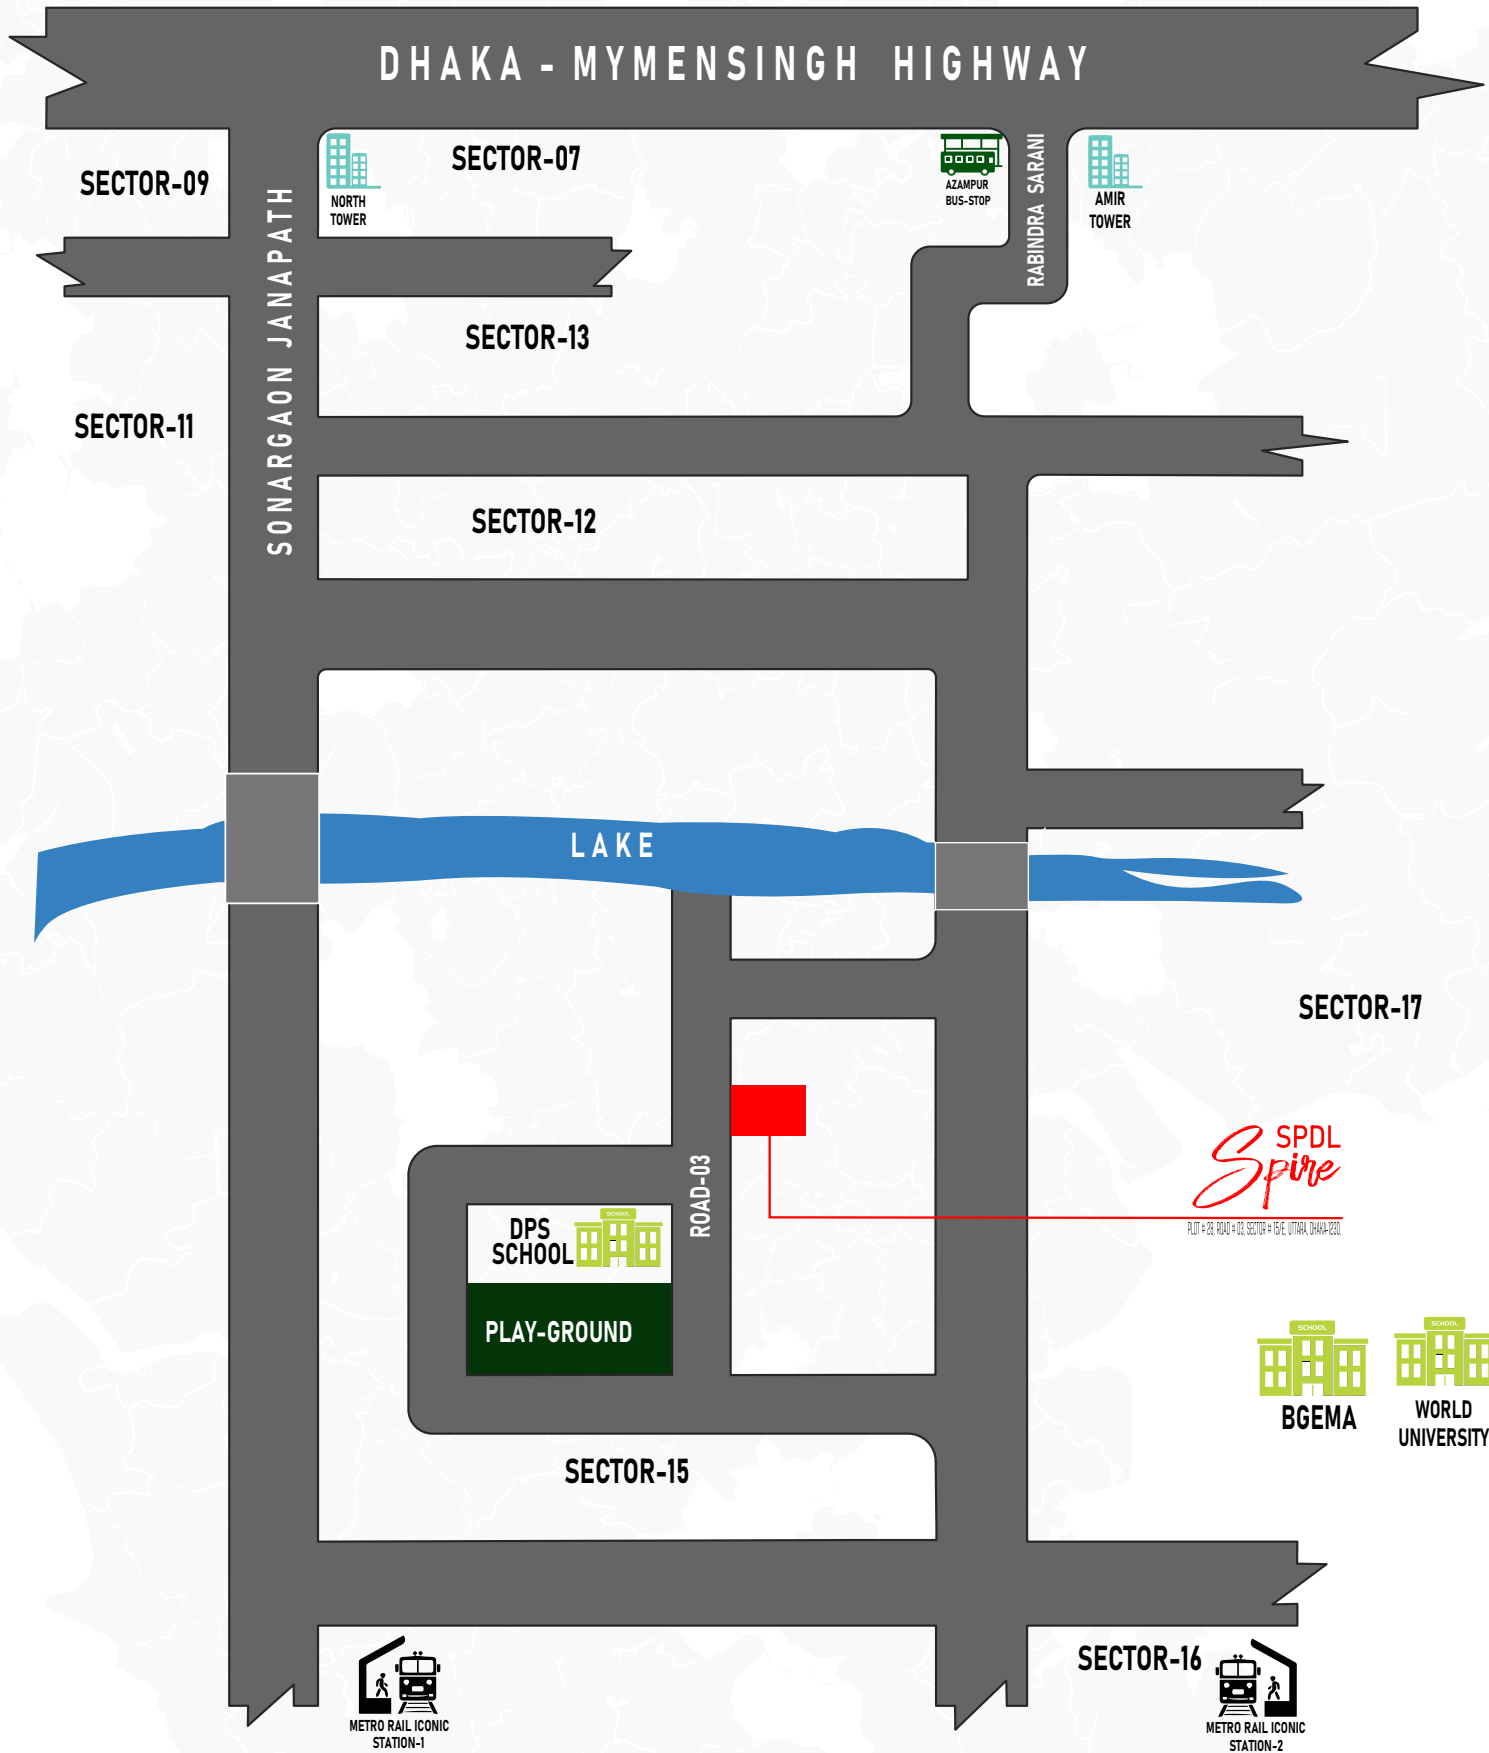

It is a great deal of pleasure to introduce our new project, **SPDL SPIRE** at Plot # 28, Road # 03, Sector # 15/E, Uttara, Dhaka - 1230. Bangladesh one of the calmest & quiet residential areas for peaceful living.

While designing architects put the best effort into the maximization of functional aspects as well as the aesthetics of the project, creating necessary comfortable space. The apartments in this complex are expressions of contemporary architecture, equipped with modern, stylish, and elegant fittings and fixtures.

SPDL SPIRE is a Residential Complex featuring all the modern facilities and amenities you would demand of a home suited to your modern lifestyle. Our attention to detail is obvious in the architecture with contemporary design flair, incorporating all the functionality of each individual surrounding and proximity to the civic center all together creating a unique site of its type that one would love to live in.
